Instructions

1. Score and burnish the card base using your Bone Folder. Emboss the front of the card using the Timber 3D Embossing Folder.
2. Adhere the designer paper using liquid glue.
3. Stamp the sentiment on the cloud using Tuxedo Black Memento ink. Stamp the rooster and birthday cake using Memento ink, color with Stampin' Blends, then die cut.
4. Swirl Pool Party ink on the Basic White circle using a Blending Brush then stamp the background image from the Gorgeously Made stamp set, also using Pool Party ink, over the swirl of ink.
5. Adhere the circle, then the cloud to the card base using liquid glue.
6. Cut the Garden Green hexagon in half using the torn edge from the Gorgeously Made Dies. Fold and adhere the Denim Ribbon to the back of the half hexagon using Tear & Tape Adhesive, then adhere to the card using liquid glue.
7. Glue the sun and weathervane to the card using the same adhesive.
8. Pop chicken and birthday cake on to the card with dimensionals.
9. Embellish with Rustic Metallic Dots.
