Instructions

1. Score, fold on the score lines and burnish with Bone Folder. Cut according to the template photo above.
2. Adhere the designer series paper to the front and back panels using Multipurpose Liquid Glue.
3. Mark the placement for the ribbon and make a hole on each mark using a 1/8" circle punch. Thread the ribbon handles, outside to inside, through the holes and use Tear & Tape Adhesive to secure the ribbon.
4. Assemble the bag, folding in the top section of the bag to further secure the ribbon and finish the top of the bag.
5. Emboss the Crushed Curry decorative circle using the star pattern from the 3D Basics Embossing Folders. Cut it in half and adhere it to the back of the Very Vanilla tag.
6. Stamp the greeting with Memento Ink on the Pool Party banner. Make a hole on the top of the banner using a 1/8" circle punch. Glue the sentiment to the tag and then thread the Petal Pink ribbon through the hole and make a bow.
7. Using Calypso Coral ink, stamp the vine images from the Little Monkey Stamp Set on the Calypso Coral flower.
8. Punch or fussy cut the monkey, the monkey's face, the TWO different types of bananas, the branch, the flower and the various leaf images. Adhere the monkey's face to the monkey using liquid glue.
9. Paper Piece and adhere the open banana to the monkey's hand using the same adhesive.
10. Adhere the branch to the tag using liquid glue. Adhere the monkey to the tag using Stampin' Dimensionals. Pop the tag onto the bag using more dimensionals.
11. Adhere the leaves, the rest of the bananas and the flower to the bag using a combination of liquid glue and dimensionals.
12. Embellish with Neutrals Adhesive-Backed Sequins.
