3. Adhere the designer series paper strips, cardstock strip and die cut foliage using liquid glue.
4. Stamp the sentiment on the banner using Pretty Peacock ink and adhere using the same adhesive.
5. Cut about 12" of Pebbled Path jute and untwist. You will have three strands. Tie one strand in a bow and adhere to the banner using a Mini Glue Dot.
6. Punch the small and medium flower from a scrap of Berry Burst cardstock. Shape the flower using the Take Your Pick Tool and Stampin' Pierce Mat. Adhere the flower to the card next to the jute bow.
