Instructions

1. Prepare the card base by scoring and burnishing using a Bone Folder. You want a mountain, valley, mountain pattern for the 5-1/2 x 8" Night of Navy piece. You want a mountain fold for the smaller card base piece.
2. Cut one of the scalloped rectangles in half and adhere this piece to the back side of the Berry Burst designer paper using Multipurpose Liquid Glue. Then glue the designer series paper to the front of the small card.
3. Adhere the remaining designer series paper pieces to the 5-1/2 x 8" card base pieces using liquid glue.
4. Assemble the step card using Tear & Tape Adhesive. The folded larger card base piece nests inside the smaller folded card. Be sure to place the Tear & Tape adhesive low enough inside of the small card to avoid gluing your card closed at the top. See the photos above.
5. Stamp the "Thanks a Bunch" sentiment on the Basic White tag and stamp the "Enjoy the Sweeter Things in Life" sentiment on the scalloped rectangle using Night of Navy ink for both. Adhere the scalloped rectangle sentiment piece to the inside of the card using liquid glue.
6. Stamp the fruit images on a scrap of Basic White Cardstock using Lemon Lime Twist ink for the inside of the fruit image and Granny Apple Green ink for the fruit's skin. Die cut using the Hybrid Embossing Folder. Stamp the leaves using Garden Green ink.
7. Stamp the flower image on Bubble Bath Cardstock using Berry Burst ink. Die cut the leaves and flowers.
8. Adhere the fruit and leaves to the card front using a combination of liquid glue and Stampin' Dimensionals.
9. Thread the hole in the tag with the ribbon and make a bow. Pop the tag on with a Stampin' Dimensional.
10. Adhere a leaf to the whole lime and glue on the inside of the card.
11. Adhere the flowers to the front and the inside of the card using a combination of liquid glue and Mini Stampin' Dimensionals.
12. Embellish using the Iridescent Rhinestone Basic Jewels.
