Instructions

1. Score and burnish the card base using your Bone Folder. Emboss the card front using the Distressed Tile 3D Embossing Folder.
2. Cut the swoopy square in half, then adhere one of the halves to the back of the 1 x 3-3/4" piece of designer paper pieces using Multipurpose Liquid Glue. Adhere the 2 x 3-3/4" and the 1 x 3-3/4" pieces of designer paper, then the irregular hexagon using liquid glue. After the hexagon is glued down, adhere the 1 x 2-1/4" piece of designer paper using the same adhesive.
3. Stamp the large pumpkin using Pumpkin Pie ink, the gourd using Copper Clay ink, the stems using Crumb Cake ink and the leaves using Old Olive ink. Punch out using the Pick of the Patch Builder Punch or fussy cut where needed. Adhere the stems to the pumpkins, then adhere the completed pumpkins to the hexagon using liquid glue. Adhere the leaves to the pumpkins using a Mini Stampin' Dimensional.
4. Stamp one crow using Tuxedo Black Memento ink. Stamp the other crow using Starry Sky ink. Fussy cut the full black crow and just the body of the Starry Sky crow. Adhere together using liquid glue. Use the Basic Black Stampin' Write Marker to fill in the bird's eye. Fill in the bird's beak using a Pumpkin Pie Stampin' Write Marker. Adhere to the card using a Mini Stampin' Dimensional.
5. Stamp the sentiment on the Smoky Slate oval with Tuxedo Black Memento ink. Adhere the Pumpkin Pie tag reinforcer on the right side of the oval using liquid glue. Use a 1/8" circle punch to punch the Smoky Slate oval making it a tag.
6. Fold the Copper Clay ribbon in half and tie the Linen Thread around it, then thread the tag with the Linen Thread and make a bow. Adhere the ribbon and sentiment piece to the card front using a combination of Tear & Tape and a Stampin' Dimensional.
7. Embellish with the Adhesive-Backed Sparkle Gems.
