# Instructions

1. Cut your designer series paper.
  - a. Mark the left edge of your two lightest designer series papers at 2 and 3". Then mark the right edges at 1 and 4".
  - b. Place two papers stacked on your paper trimmer. Line up the 2" mark on the left and the 1" mark on the right, on the cutting track of your trimmer and cut.
  - c. Line up the 3" mark on the left and the 4" mark the right on the cutting track of your trimmer and cut.
  - d. Repeat for the second stack of two sheets.
2. Your paper will look like the photo above when you are done. Adhere three pieces to each of the Basic Gray cardstock card fronts, then adhere the card front to the Basic Black card base using liquid glue.
3. Adhere the designer paper tag to the Basic Black tag using the same glue. Thread the holes of the tag with the Linen Thread and make a double bow.
4. Stamp the sentiment and bats with Memento ink on the Crushed Curry circle. Place a Stampin' Dimensional on the upper left section of the tag and place the sentiment circle on the tag.
5. On a scrap of Smoky Slate cardstock, stamp the spooky house using Memento ink, die cut the house.
6. Adhere the house to the tag piece using Stampin' Dimensionals.
7. Adhere the completed tag piece to the card using liquid glue. Adhere the stars with the same adhesive.
8. Embellish with Rhinestone basic gems.
