Instructions

1. Prepare the card base by scoring and burnishing with a Bone Folder.
2. Adhere the designer series paper to the card using liquid glue.
3. Add a stenciled pattern to the Petal Pink layer using a blending brush and the Abundant Beauty Decorative Masks. Emboss the piece using the same mask, a silicon craft sheet and your Stampin' Cut & Emboss machine.
4. Adhere the Petal Pink or Pretty Peacock piece to the card using the same glue.
5. Stamp the frame and greeting and punch it out. Stamp the greeting a second time and fussy cut "YOU". Pop the "YOU" on to the label using a Mini Stampin' Dimensional.
6. Loop the ribbon or braided trim and secure it to the card with a little Tear & Tape or some Stampin' Dimensionals. Attach the leaves to the adhesive you used to secure the ribbon. Put Stampin' Dimensionals on the back of the label then adhere to the card further securing the leaves.
7. Stamp the flowers in your choice of ink colors to match your designer series paper choices. Fussy cut the flowers and adhere them to the card with a combination of liquid and dimensional adhesive.
8. Embellish with Blooming Pearls.
