# Instructions

1. Score, burnish with a Bone Folder, and trim the Fresh Freesia sticky note cover according to the template. Use a little Tear & Tape Adhesive to secure the pen loop.
2. Emboss the 2-7/8 x 3" piece using the Countryside Blossoms Embossing Folder. Curl the corners of the embossed piece then adhere it to the front of the notepad cover using Multipurpose Liquid Glue.
3. Place the sticky note pad inside the cover using Tear & Tape Adhesive. Place the pen in the loop.
4. Stamp the thermos on the Lemon Lime Twist gingham designer paper using Early Espresso ink. Die cut the gingham thermos and an open thermos from Lemon Lime Twist cardstock. Cut the top off of the gingham thermos and adhere the thermos pieces together with liquid glue.
5. Stamp the window on the Basic White scrap and the sentiment using Early Espresso ink. Color the window using Stampin' Blends and die cut. Fussy cut chicken lips on each side of the sentiment.
6. Adhere the thermos pieces to the cover using liquid glue, then adhere the leaf, hearts and window image to the cover using the same adhesive.
7. Make a bow with the Sweet Sorbet ribbon, adhere it to the back of the sentiment using a Mini Glue Dot, then adhere the sentiment to the cover with liquid glue.
8. Embellish with the Iridescent Rhinestone Basic Jewels.
