Instructions

1. Cut and score the wrapper pieces according to the template photo above. Burnish the score lines with a Bone Folder.
2. Emboss the front of the outer wrap with the Painted Texture Embossing Folder. Assemble the matchbook pocket using Tear & Tape Adhesive and staples.
3. Adhere the designer series paper to the wrapper and the pocket with Multipurpose Liquid Glue.
4. On the Basic White scrap, stamp the submarine with Lemon Lime Twist ink and the propeller and periscope with Gorgeous Grape ink. Punch these pieces out with the Submarine Life Builder Punch. Adhere the propeller and periscope to the submarine with liquid glue.
5. Stamp the greetings on the white die cuts using Gorgeous Grape ink. Stamp the seaweed on the circle with Old Olive ink.
6. Stamp the fish using Pumpkin Pie ink. Stamp the crab using Melon Mambo ink. Stamp the seaweed using Old Olive ink. Fussy cut.
7. Pop the fish on the “YOU’RE SUBLIME” greeting then adhere the circle to the inside pocket with more dimensionals.
8. Close the treat before placing the “HAPPY BIRTHDAY” greeting and assembled submarine on the pocket with Stampin’ Dimensionals. Closing the treat will insure that no pieces are placed too low interfering with the way the pocket closes.
9. Pop the seaweed on the sentiment rectangle with more dimensionals.
10. Tie a bow with the metallic ribbon and adhere it with a Mini Glue Dot, then pop the crab up on double dimesionals next to the ribbon.
11. Embellish with the Adhesive-Backed Shiny Sequins.
