# Instructions

1. Score the Basic Beige card base and burnish with a Bone Folder. Emboss the beige panel with the Dotted Circles 3-D Embossing Folder and adhere it to card front with Multipurpose Liquid Glue.
2. Adhere the designer paper using the same glue.
3. Mask and stamp “You brighten my” on a Basic White scrap using Pecan Pie ink. Clean the stamp and repeat, masking all but “day”, then stamp to complete the new shorter sentiment. Die cut the sentiment using the smallest clipped corner tag die from Tailor Made Tags Dies.
4. Stamp FOUR Slurpees on a scrap of basic white. I stamped one in each of the following colors: Shy Shamrock, Summer Splash, Petunia Pop and Pretty in Pink. Cut the straw and label from the Pretty in Pink and Petunia Pop images. Fussy cut the Summer Splash and Shy Shamrock images. Glue the contrasting straw and label on to each cup then pop a heart on each of the cups using half of a Mini Stampin’ Dimensional.
5. Glue the cups on the card using liquid glue.
6. Assemble the sun using the same glue then pop it on the card with dimensional adhesive.
7. Fold the ribbon in half and adhere card front with Tear & Tape Adhesive. Thread the Linen Thread through the white tag and around the folded end of the Petunia Pop ribbon and make a big loopy bow tying the tag to the ribbon. Secure the tag to the card using dimensionals.
8. Embellish with the 2024-2026 In Color Shimmer Gems.
