3. Stamp the greetings on the vanilla pieces using Early Espresso ink as seen the photos.
4. Using Early Espresso ink for all of your stamping, stamp the beans, coffee, and coffee art on Pecan Pie Cardstock. Stamp the spoon on Smoky Slate Cardstock. Stamp the mugs on Petal Pink Cardstock. Die cut the stamped images as well as the cups, coffee, carafe and press pieces.
5. Assemble the carafe, press, cups and mugs using liquid glue.
6. Adhere the hexagon to the landscape card followed by the ribbon and twine combo then the swoopy circle and vanilla circle. Use liquid glue for the paper parts and Tear & Tape to adhere the ribbon.
7. Adhere the swoopy circle and sentiment stamped vanilla circle to the portrait card using liquid glue.
8. Adhere the carafe or press and mug to each card using liquid glue. See the photos.
9. Adhere the longer sentiment banner to the landscape card using liquid glue, then pop the little cups and spoon on with dimensional adhesive. Add one coffee bean to the center of the Linen Thread bow using a Mini Glue Dot.
10. Adhere the ribbon and twine combo to the portrait card using Tear & Tape, then pop the little cup and spoon on the card with dimensional adhesive. Add a bunch of coffee beans to the center of the Linen Thread bow and sprinkle two single beans on the card front, adhere using Mini Glue Dots.
11. Embellish both cards with Adhesive-Backed Swirl Dots.
12. Finish the inside of the portrait card with the 3/4 x 5-1/8" strip of designer series paper and a bunch of coffee beans.
13. Finish the inside of the landscape card as pictured. Punch a thumb notch using the 2-3/8" circle punch then glue the designer series paper to the vanilla liner using liquid glue on the sides and bottom creating a pocket. Adhere the little sentiment banner and one coffee bean to the pocket.
