Instructions

1. Score, burnish with a Bone Folder and trim the Smoky Slate cardstock according to the template. Adhere the designer series paper to all sides except the bottom and gable sides of the box.
2. Assemble the box using Tear & Tape Adhesive. Fill the box with your favorite treat. I used [these crab and lobster key chains](#) from Amazon.
3. Wrap the ribbon around the box to secure it and tie a big loopy bow.
4. Secure the ribbon to the front of the box using some Stampin' Dimensionals. Adhere the Coastal Cabana wonka doodle circle to the front of the box using those same dimensionals.
5. Stamp the outline of the crab on Basic White cardstock using Real Red ink. The use the fill image and stamp second generation of the same ink to color in the crab. Finish the crab by coloring over the eyes with a Basic Black Stampin' Write Marker. Die cut.
6. Adhere the coral to the circle with liquid glue, then pop the crab and starfish on top with some dimensionals.
