Instructions

1. Score, burnish with a Bone Folder and trim the Friends of the Ocean Designer Series Paper according to the template.
2. Assemble the box using Tear & Tape Adhesive. Fill the box with your favorite treat. I used [these mochi heart squishy toys](#) from Amazon.
3. Wrap the ribbon around the box and tie a big loopy bow.
4. Stamp the outline of the crab on Basic White cardstock using Calypso Coral ink. The use the fill image and stamp second generation of the same ink to color in the crab. Finish the crab by coloring over the eyes with a Basic Black Stampin' Write Marker. Die cut.
5. Stamp the bubbles on the Coastal Cabana heart using Coastal Cabana ink then adhere it to the front of the box using Stampin' Dimensionals.
6. Adhere the seaweed using a combination of liquid glue and dimensionals. Pop the crab and small heart on top with more dimensionals.
7. Cut the postage edge rectangle in half and stamp the greeting on it using Melon Mambo ink.
8. Adhere the sentiment using a combination of Mini Glue Dots and Mini Stampin' Dimensionals.
9. Embellish with In Color Sparkle Gems.
