# Instructions

1. Score, fold and burnish the Shy Shamrock cardstock with a Bone Folder. Trim according to the template above.
2. Adhere the designer paper to four sides of the box using Multipurpose Liquid Glue.
3. Stamp the sentiment on the white tag using Tuxedo Black Memento ink.
4. Fussy cut one tag of your choice from the On the Go Designer Series Paper. Use that tag to trace a second tag on Shy Shamrock cardstock. Fussy cut. Emboss the Shy Shamrock tag using the Mini Corrugated 3D Embossing Folder.
5. Use a 1/8" circle punch to make a hole in both tags. Overlap the tags and glue them together using liquid glue.
6. Thread the white ribbon through the hole and make a bow.
7. Adhere the tag, lock and key to the larger On the Go tag using a combination of Stampin' Dimensionals and liquid glue. Make sure to line up the holes of the tag, lock and key with the hole in the larger On the Go tag.
8. Thread a double length of two different color pieces of twine through the holes, then make a thread knot. Trim the excess. Adhere the tag to the box using Stampin' Dimensionals.
9. Stamp Rusty on a scrap of white cardstock using Tuxedo Black Memento ink. Color using Stampin' Blends. Separate the squirrel and the single apple. Fussy cut both pieces and adhere to the box using Mini Stampin' Dimensionals.
10. Embellish using Starburst Sequins.
