# Instructions

1. Score the Secret Sea cardstock then burnish and fold with a Bone Folder.
2. Round the corners of the shortest segment of the strip then round two corners on the corresponding designer paper. Adhere the designer series papers to the strip using liquid glue. At the opposite end of the strip, cut a notch using a 2" circle punch for easy gift card removal. Using Tear & Tape Adhesive on the right and left edges of the longer segment, make a pocket.
3. Place the gift card into the pocket, close and wrap the belly band around. Secure the belly band using Tear & Tape Adhesive. Emboss a strip of Darling Duckling cardstock using the Mini Corrugated Embossing Folder. Adhere it centered across the front of the belly band using the same adhesive. This strip is intentionally long because the corrugated design will shrink the length of your paper strip. Cut off the excess.
4. Wrap the ribbon around the belly band and tie a big bow.
5. Adhere the Basic Beige circle to the belly band using Stampin' Dimensionals.
6. Stamp the pencil three times, once in each using Darling Duckling, Crumb Cake and Strawberry Slush ink. Cut the parts and reassemble to make a multicolor pencil. Stamp the apple with Strawberry Slush ink. Then clean and stamp the stem in Pecan Pie and Old Olive inked with Stampin' Write Markers. Fussy cut the Apple and the stem and leaves then reassemble to make a multicolor apple.
7. Stamp the sentiment on strips of white and stamp the books on a scrap of white using Secret Sea ink. Fussy cut the books and chicken lips on the sentiment strips.
8. Adhere the outside sentiment, books, apple and pencil using Stampin' Dimensionals. Adhere the little heart using a Mini Glue Dot.
9. Adhere the inside sentiment and heart using a bit of liquid glue.
