Instructions

1. Score, fold, cut and burnish the Azure Afternoon cardstock according to the measurements and box template above. Punch the corners of the top flap using a corner rounder.
2. Punch the bottom corners of one of the 2-1/4 x 1-3/4" designer series paper panels using a corner rounder then adhere it to the flap. Adhere the 2-1/4 x 2-1/4" panels and the remaining 2-1/4 x 1-3/4" panel to each section using Multipurpose Liquid Glue.
3. Assemble the box using Tear & Tape Adhesive. Cut a Velcro dot in half and place the pair on the flap, one half in each bottom corner. Remove the liner on the other side of the pair exposing the adhesive then close the flap. Gently separate then burnish the pieces. Place the claw machine inside the box and close the box.
4. Wrap the 1-3/4 x 12" designer paper around the box, secure it using Tear & Tape Adhesive.
5. Fussy cut a tag out of the designer paper. Use this tag to trace another tag on Azure Afternoon cardstock. Fussy cut.
6. Emboss the Azure Afternoon tag using the Mini Corrugated 3D Embossing Folder.
7. Adhere the designer paper tag to the embossed tag using liquid glue. Punch a hole at the top of the tags using a 1/8" circle punch. Thread the ribbon through the hole and make a bow.
8. Stamp the dinosaur and the sunflower on Basic White cardstock using Tuxedo Black Memento ink. Color using Stampin' Blends. Die cut.
9. Stamp the sentiment on the strip of Basic White using Strawberry Slush ink. Fussy cut chicken lips on the ends of the sentiment strip or use a Taylored Tag Punch.
10. Adhere the sentiment strip, followed by the dinosaur and sunflower using Stampin' Dimensionals.
11. Embellish using 2025-2027 In Color Flat Pearls.
