Instructions

1. Score the designer series paper, burnish with a Bone Folder then trim according to the template picture above. Cut a thumb notch in the pocket segment using a 1" circle punch then assemble the pocket using Tear & Tape Adhesive.
2. Emboss the Modern Oval using the Dashing Designs Embossing Folder then score the oval 3/4" from one end. Fold and burnish. Adhere the smaller section to the back of the gift card holder and close with a Velcro dot.
3. Assemble the flowers by adhering the details to the flower using liquid glue. If you do not love liquid glue, try one of the little squeeze bottles that I use OR put adhesive sheet on the Crushed Curry before you die cut to make the details pick and stick.
4. Punch TWO old Olive leaves and then trim one down so that you have the last three leaves only.
5. Mask and stamp the sentiments on the Basic White die cuts using Pecan Pie ink. Adhere the white postage rectangle inside the gift card holder using liquid glue.
6. Adhere the medium flower, the trimmed leaf and TWO Pool Party hearts inside the gift card holder using the same adhesive.
7. Wrap the Crumb Cake oval with the White Ribbon and tie a loopy bow. Add your gift card to the pocket and close.
8. Adhere the remaining leaf to the outside, on the Crumb Cake oval, using a Mini Glue Dot.
9. Adhere the large flower using Stampin' Dimensionals.
10. Adhere the remaining Pool Party heart to the tag then thread the tag with Linen Thread. Tie the tag to the White Ribbon.
11. Embellish using Iridescent Faceted Gems.
