# Instructions

1. Score the Pool Party cardstock, burnish with a Bone Folder then trim according to the template picture above. Cut a thumb notch on one of the 6-1/2" sides using a 1/2" circle punch then assemble using Tear & Tape Adhesive.
2. Assemble the flowers and leaves by adhering the details to the flower or leaf using liquid glue. If you do not love liquid glue, try one of the little squeeze bottles that I use OR put adhesive sheet on the Very Vanilla, Daffodil Delight and Mossy Meadow before you die cut to make the details pick and stick.
3. Stamp the sentiments on the strip of Basic Beige and on the Basic Beige die cut using Pecan Pie ink. Adhere the die cut clipped corner rectangle inside the box using liquid glue.
4. Adhere one small and one medium flower and one small leaf inside the box using a combination of liquid and dimensional adhesive.
5. Adhere the vellum followed by the designer series paper strips to the lid of the box using liquid glue.
6. Fold the ribbon in half, then adhere it to the box using Tear & Tape Adhesive. Double the linen thread and wrap it around the folded end of the ribbon and make a big loopy bow.
7. Adhere the large flower, one medium flower, two small and one large leaf to the box using Stampin' Dimensionals.
8. Trim and adhere the outside sentiment to the box using a combination of Mini Glue Dots and Mini Stampin' Dimensionals.
9. Embellish inside and out using the Tiny Bee Trinkets and the Iridescent Faceted Gems.
