Instructions

1. Score the Strawberry Slush cardstock and then work all the score lines with a bone folder. Put some liquid glue on the segment second from the right end and then fold the last score line over into the glue to make the easel. See the template photo above.
2. Adhere the 2" square of designer paper, centered, to the section of the holder easel that you just folded over and glued.
3. Wrap the scored designer paper over the small post it pad so that the front of the pad is covered and the 1/2" section is glued to the back of the notes. Add more adhesive to the back of the post it pad and adhere it to the first section of the Strawberry Slush cover. Be sure to flip the Strawberry Slush cover over so that the sticky pad is on the opposite side on the opposite end of the designer paper square. Line the pad up so that the front, left and right Strawberry Slush margins are all about the same. See the open photos below for reference.
4. Stamp the greeting on the tag using Secret Sea ink then thread the hole in the tag with some Linen Thread and tie a little bow.
5. Assemble the Pretty in Pink and Strawberry Slush flower by adhering the flower center using a Mini Stampin' Dimensional.
6. Adhere the larger flower and tag to the cover using dimensionals.
7. Trim and adhere one of the leaves to the outside and one of the leaves to the inside using a combination of Mini Glue Dots and Mini Stampin' Dimensionals.
8. Adhere the Strawberry Slush flower to the inside using a dry adhesive of your choice.
9. Embellish the front with tiny Timid Tiger flowers and Basic Rhinestone Gems.
