Instructions

1. Score, burnish with a Bone Folder and trim the Real Red card on a treat box pieces according to the template. Punch a thumb notch center on the top of the front panel and round the corners of the tuck tab for easy opening.
2. Add the Tear & Tape Adhesive to the side and bottom glue tabs and assemble the box. Add more Tear & Tape Adhesive to the 1/2" glue tab on the card panel then attach it to the side of the box.
3. Fill the box with popcorn treats and tuck the tab to close.
4. Wrap the shorter length of ribbon across the larger designer paper panel a little low of center. Adhere the ends of the ribbon to the back of the designer paper. Use the same adhesive you used to adhere the ends of the ribbon to adhere the designer paper to the card front.
5. Adhere the smaller designer series paper to the 3-3/8 x 5-1/8" Real Red panel.
6. Stamp "POP" on the Real Red cardstock panels using Real Red ink then adhere the small panel to the front of the card on a box and the larger panel to the inside of the card on a box.
7. Stamp the sentiments on the wonky circles using Memento ink. Adhere them to the inside and outside of the card on a box using liquid glue.
8. Stamp the THREE popcorn and the top of the popcorn bucket on white cardstock using Darling Duckling ink. Stamp the entire popcorn bucket on the white scrap using Real Red ink. Die cut.
9. Use a Black Stampin' Write Marker to color the eyes and feet of the popcorn and bucket. Cut the Darling Duckling popcorn off of the bucket image and then adhere it over top of the Real Red popcorn bucket. Glue the die cut glasses on the popcorn and the popcorn bucket.
10. Adhere the film strip die cuts, THREE outside and ONE inside, using some liquid glue and a BBQ brush.
11. Adhere TWO popcorn and the popcorn bucket to the front using Stampin' Dimensionals.
12. Glue one popcorn and the tiny Real Red heart to the inside using liquid glue and a BBQ brush.
13. Slide the longer piece of ribbon under the shorter piece on the card front and tie a loopy bow.
