Instructions

1. Score, fold and burnish the Pool Party Cardstock card base.
2. Emboss the 3-3/4 x 5" two-tone cardstock panel using the Forever Plaid Embossing Folder then sand the print off the embossed side using a fine sanding block.
3. Fold the top right corner of the embossed panel to reveal the lighter shade of Pool Party then adhere the panel to the card using Multipurpose Liquid Glue. Secure the folded corner using a Mini Stampin' Dimensional.
4. Adhere the designer paper to the card using liquid glue.
5. Make a big loopy bow using the Pompom Ribbon and adhere it to the card using a Mini Glue Dot.
6. Stamp the bee body and TWO daisies, and the wings on Basic White cardstock using Daffodil Delight ink and Pool Party ink respectively. Fussy cut the TWO daisies.
7. Using Pool Party ink and second generation stamping, fill in the wings using the larger heart image stamp, then punch using the larger heart on the Bee Builder Punch.
8. Stamp the stripes and face on top of the Daffodil Delight bee body using Memento Tuxedo Black ink. Stamp the antenna using the same ink. Punch both using the Bee Builder Punch.
9. Stamp the greeting on the 1/2" white strip using the same ink, cut some chicken lips on the left end then adhere to the card using Stampin' Dimensionals.
10. Assemble the bee using a little liquid glue then pop the bee and flowers on the card using the same adhesive.
11. Embellish with In Color Shimmer Gems.
