Instructions

1. Fold Pool Party cardstock on all the score lines and burnish. Cut away sections as shown below.
2. Make a small tic mark at the middle of both side tabs at 1-1/2", then score down to the next two intersecting score lines as shown above.
3. Round the corners of the front flap. It's the most narrow segment. Then round two corners on the long side of one of the 3/4 x 2-7/8" designer paper strips.
4. Adhere the designer series paper to the outside of the box using Multipurpose Liquid Glue.
5. Apply a strong adhesive, like Tear & Tape, on the two triangle sections that face the back of the box. The back of the box is the longer section with two segments. Fold the two sections with Tear & Tape in, then fold up the back of the box matching the cut edge of the back to the fold on the adhesive tab.
6. Wrap ribbon around the box flap covering the seam where the two designer papers meet and tie in a bow at the left.
7. Adhere the remaining two pieces of designer series paper to the inside front of the box using liquid glue then adhere the die cut heart.
8. Fill box with treats and close with Velcro dots.
9. Stamp the jar using Early Espresso ink. Stamp the candles on the jar using Old Olive, Strawberry Slush, and Pool Party ink. Stamp the candle flames using Daffodil Delight ink. Punch the jar using the Jar Builder Punch. Adhere the lid to the jar using liquid glue, then adhere it to treat box using Stampin' Dimensionals. Be careful not to glue your box closed, keep the adhesive away from the lower edge of the jar.
10. Cut the white tag so the end with the hole is 1-1/4". Stamp "party" on the little white tag using Early Espresso ink. Stamp the "Happy Birthday" greeting on the remaining portion of the white tag using the same ink.
11. Adhere the "Happy Birthday" greeting inside using liquid glue.
12. Trim the Pool Party tag down to 1-1/4" also then glue the white and Pool Party tags together.
13. Thread the tags front to back with Linen Thread then thread the same end under the Strawberry Slush bow. Secure the tag by tying a big loopy bow and attaching the tag to the box with a double dimensional.
14. Embellish with Rhinestone Basic Jewels.
