Instructions

1. Score, fold and burnish the Basic Beige card base. Emboss the 4 x 5-1/4" piece of Basic Beige using the Damask Designs Embossing Folder. Adhere to the card front using Multipurpose Liquid Glue.
2. Tear the bottom of the designer paper on an angle. Criss cross each of the 4" pieces of ribbon across the bottom of the designer paper, then tape it to the back using Tear & Tape Adhesive. Adhere the designer paper to the card front using liquid glue.
3. Stamp the flower image on the scrap of white using Tuxedo Black Memento ink. Color the flowers using Petal Pink and Darling Ducklings Stampin' Write Markers and a Blender Pen. Color the leaves using Mossy Meadow and Soft Sea Foam Stampin' Write Markers and a Blender Pen. Die cut.
4. Tear off the bottom of the perforated tag then stamp the greeting on the remaining top half. Adhere the leaf to the back of the tag using Mini Glue Dot, then adhere the tag to the card using a combination of Glue Dots and Mini Stampin' Dimensionals.
5. Make a double bow with the other piece of ribbon. Adhere to the tag using a Mini Glue Dot.
6. Embellish using the Strawberry Slush & Pretty in Pink Gems.
