Instructions

1. Score, fold and burnish the 3-1/4 x 11" Basic White panel and fold it to form a "Z". The shortest panel of the "Z" will be on the top and folds from the bottom.
2. Flip the "Z" over and put adhesive on the back side full panel, then adhere it centered on one of the Darling Duckling panels. Adhere the now matted "Z" centered on one of the 4-1/4 x 5-1/2" Pool Party panels. This is your card back from the inside. Be sure that the short panel of the "Z" is once again on the top and folds from the bottom.
3. Put some adhesive on the short panel of the "Z" and then, bringing the remaining 4-1/4 x 5-1/2" Pool Party panel directly over and adhere it to the "Z".
4. Emboss the 4 x 5-1/4" Pool Party piece using the Turtle Textures Embossing Folder.
5. Adhere the 3-1/4 x 4-1/2" designer paper to the remaining Darling Duckling panel using liquid glue. Wrap the Strawberry Slush Twine around the Darling Duckling panel and tie a loopy bow on the left side. Adhere the Darling Duckling panel to the embossed Pool Party piece, then adhere it to the card front using liquid glue.
6. Open the card so the front side is face up. Adhere the 1 x 4-1/2" designer paper to the inside bottom panel of the card front using liquid glue.
7. Stamp the greeting on the white label using Early Espresso ink. Stamp the flags and hats on scraps of white using Tuxedo Black Memento ink. Color the hats and flags using Stampin' Blends. Die cut.
8. Stamp the piggy body and face on Petal Pink Cardstock using Early Espresso ink. Color using Stampin' Blends. Die cut.
9. Adhere the piggy body to the wonky white circle using liquid glue and then adhere it to the card front. Pop the face, hat and flags on the card using Stampin' Dimensionals.
