Stamp a Stack Tip

You are welcome to make just one of each of these cards, but they are a one sheet wonder style Stamp a Stack. If you are making the Valentine Kisses Stamp a Stack as designed, choose THREE designer papers. Cut TWO of them according to Wonder Recipe #40 and ONE according to Wonder Recipe #41. Whichever pattern you use for recipe #41, you will only need a 4 x 6" piece. You can save the 2 x 6" remaining for another project. The Wonder Recipe makes TWO of the first two designs and ONE of the third design.
