# Instructions

1. Prepare the shadowbox according to the measurements and diagram above. Assemble using a combination of Tear & Tape Adhesive and Multipurpose Liquid Glue. Pop three Lip Smackers inside.
2. Wrap the designer series paper around the shadowbox. Secure it around the box using more Tear & Tape. Be sure that the ends of the paper are on the back side of the shadowbox and if you want a clean finish make sure that the seam is all the way to the far right or left edge.
3. Stamp the strawberry on white cardstock using Memento ink. Color with Stampin' Blends and die cut.
4. Stamp the sentiment on a scrap of white using the same ink and punch it out with the Three Banner Punch.
5. Stamp the "OX" on the white scrap using Misty Moonlight ink and fussy cut the letters. Use the craft knife attachment for the Take Your Pick Tool to make cutting the center of the "O" easy and neat.
6. Emboss the Pretty in Pink heart using the Ladybug Picnic 3D Embossing folder and adhere it to the Strawberry Slush heart tag using Stampin' Dimensionals.
7. Adhere the designer paper strips to the wrapper using liquid glue then adhere the heart tag using Stampin' Dimensionals.
8. Adhere the sentiment banner using doubled up Stampin' Dimensionals. Cut regular dimensionals in half, stack them two high and use one stack at each end of the banner.
9. Adhere the strawberry using a combination of doubled up dimensionals and liquid glue.
10. Adhere the "OX" using liquid glue.
11. Adhere the flower and leaves using Mini Glue Dots.
12. Make a bow with the Misty Moonlight Ribbon and adhere it to the tag using Mini Glue Dots.
13. Embellish with Muted Palette Dots.
